

# Young Statisticians Lecture Series

## Modern Statistical Methods for Life Sciences

**Nov. 3, 2021**  
4pm – 5pm  
(CET)

**Virtual  
Zoom  
Meeting**

**Registration:**  
<https://bit.ly/3FCD96L>

**The best of both worlds:  
Combining deep learning  
and modeling for time-series  
single-cell RNA-sequencing data**

**Maren Hackenberg**

Institute of Medical  
Biometry and Statistics,  
University of Freiburg
