I am writing to you to request your support and participation in the newly established IBC awards. As you will recall, the Council approved seven awards late last year. Specifically, Regional Presidents and National Group Secretaries play a very important role in two of the awards. The IBS Executive Committee also plays an important role in the "Rob Kempton Award."

1) ROB KEMPTON AWARD FOR OUTSTANDING CONTRIBUTION TO THE DEVELOPMENT OF BIOMETRY IN THE DEVELOPING WORLD

Aim: To honour the contributions of biometricians both to and from the developing world

Prize: Certificate, IBS dues for the next calendar year (which may be donated to a member of an economically developing nation)

Eligible: Any IBS member who has made or is making a significant contribution to the development of biometry in the developing world

Application: Through nomination by a Regional President, Group Secretary or Network Co-ordinator with support from IBS members from at least two other Regions or Groups

Timetable: Publicity through the Bulletin and via email in late 2005; Nominations received by 1 April 2006; Judged by Council vote by 15 June 2006.

Selection: For the first year, the Executive Committee, in consultation with the AFC, makes a recommendation with motivation, which is then presented to Council for voting. In later years, a proper call for nominations can be made. (Note: It was recently determined to immediately involve the National Presidents and National Group Secretaries since time allows.)

2) AWARD FOR OUTSTANDING CONTRIBUTION TO THE DEVELOPMENT OF THE IBS

Aim: To honour the contribution of IBS members to the development to the society, and to promote the participation of members in the development of the society

Prize: Certificate, IBS dues for the next calendar year

Eligible: Any IBS member who has made or is making a significant contribution to the development of the IBS

Application: Through nomination by a Regional President, Group Secretary or Network Co-ordinator with support from IBS members from at least two other Regions or Groups

Timetable: Publicity through the Bulletin and via email in late 2005; Nominations received by April 1st 2006; Judged by Council vote by June 15th 2006.

Selection: By Council vote, organised by the General Secretary, based on written nominations

The deadline for nomination submissions is 1 April 2006. Please submit your nominations with required letters of support to the IBS Headquarters at <mailto:ibs@tibs.org>. Please use the subject line: IBC Award Nomination. Please submit the information electronically.

Thank you very much for your consideration and action on this important Society activity. If you have any questions, please feel free to contact us at ++ 202-712-9049 or <<mailto:ibs@tibs.org>>.
